Gentlemen:

I would like to take this opportunity to express my appreciation to your firm for a job well done on the subject contract.

I would especially like to recognize those involved from your home and field staff for their professional and responsive cooperation with my staff.

Dale Winterquist, President, Chris Poma, Vice President and T.F. Austin employees Paul Merritt and Steve Johnson were truly outstanding in performing their duties. Their cooperation and hard work were instrumental in the successful completion of this project.

The Navy needs good responsive contractors and your firm is an outstanding example for other contractors to emulate.
